Re: Rivermead Project

Dear Phil,

I am writing to acknowledge the efforts of all the individuals from Mathewson Companies that were involved with the Rivermead project. While this was the first time Mathewson and Cutler have worked together, we could not have asked for a better partner. Needless to say, your firms' professionalism, dedication and commitment to make the project a success is greatly appreciated and is certainly worthy of recognition.

Thank you very much for all your efforts, and we look forward to the opportunity to work with Mathewson Companies in the future. If you find yourself in need of a professional reference at any point, please do not hesitate to call on me.

Warmest regards,

Joseph Prates,
Executive Vice President
